Hi Steven,

I wanted to reach out in regards to Plasti-Paint's outstanding claim against Dura Automotive. Hain Capital is in the business of purchasing bankruptcy debt of companies like Dura and I wanted to propose an immediate cash purchase of your client's claim.

We can move fast, efficiently and get cash to your client now instead of remaining involved in a protracted and resource draining insolvency.

Let me know if there is an inclination on your client's side in exploring a of the ARs and we can discuss our current bidding rate.

Best regards,

Seth
